For a detailed quotation and to discuss your individual requirements please call or email me.

The pricing below will help you establish the outline cost for your brief. To ensure we get it right for you, before work is undertaken a phone consultation and/or a written brief will be carried out to agree upon the expectations, timeframes and requirements you may have. Prices include photography, editing, general retouching, and colour enhancement for work carried out during standard office hours. Travel within 1 hr of Inverness included. Additional travel charged at £40 per hour. Additional equipment, travel, accommodation or other associated fees required will be charged at cost.
